SICHANGI LAW ALLIANCE LLP CORPORATE & WEBSITE CONTENT PROFILE

1. Firm Overview

Sichangi Law Alliance LLP (SLA) is a partner-led, full-service law firm providing integrated legal services to individuals, businesses, institutions and organisations. The Firm is structured around a multi-specialist practice model, bringing together expertise across litigation and dispute resolution, corporate and commercial advisory, banking and finance, real estate, infrastructure, regulatory compliance, employment, intellectual property and other specialist areas of law.

SLA is designed to respond to an increasingly sophisticated legal market characterised by complex transactions, expanding regulatory requirements, institutionalised legal procurement and growing demand for efficiency, predictability, specialisation and partner-level accountability. Our approach is founded on integration without fragmentation. Rather than treating legal issues in isolation, SLA brings together the appropriate legal expertise to provide clients with coordinated and commercially responsive solutions throughout the lifecycle of their legal needs.

2. What We Do

SLA provides legal advice, representation and transactional support across a broad range of practice areas.

- i. Legal advisory and opinion services.
- ii. Transactional and commercial advisory.
- iii. Contract drafting, review and negotiation.
- iv. Litigation and dispute resolution.
- v. Corporate and commercial transactions.
- vi. Banking and finance documentation.
- vii. Real estate and property transactions.
- viii. Infrastructure and PPP advisory.
- ix. Regulatory compliance and institutional advisory.
- x. Employment and labour matters.
- xi. Intellectual property advisory.
- xii. Family, succession and estate planning.
- xiii. Government and public-sector advisory.
- xiv. Sector-specific legal services.

Our delivery model combines partner-level strategy and client management with specialist legal execution, supported by senior associates, associates and research/analytical teams.

3. Our Practice Areas

A. Core Practice Areas

1. Litigation & Dispute Resolution

We provide representation and strategic legal advice in contentious matters, with an emphasis on effective dispute management, enforcement and resolution. Our work includes litigation strategy, court representation, dispute advisory, enforcement proceedings and related contentious matters.

2. Corporate, Commercial, Tax & Trade

We advise businesses and institutions on corporate and commercial matters throughout the lifecycle of their operations. Our services include corporate advisory, commercial transactions, contract drafting and negotiation, business structuring, trade-related matters and tax-related legal advisory.

3. Banking, Securities Documentation & Loan Legal Services

We provide legal services to financial institutions, borrowers and other stakeholders in banking and finance transactions. Our work includes preparation and review of financing and security documentation, loan transactions, securities documentation and related legal advisory.

4. Land, Housing & Urban Development

We provide legal advice on property, land and development matters. Our services include property transactions, conveyancing, land development, housing projects, urban development and related legal due diligence.

5. Infrastructure, PPP & Energy

We advise clients involved in major infrastructure and energy projects, including public-private partnerships and other complex projects. Our approach combines transactional, regulatory, commercial and project-specific legal expertise.

5. Our Clients

SLA serves a diverse range of clients across the public and private sectors. Our client segments include:

Government institutions

Financial institutions, including banks, SACCOs and fintechs

Corporates and multinational organisations
SMEs and family businesses
Developers and infrastructure sponsors
NGOs, trusts and development organisations
Private clients and estates

This diversity enables the Firm to bring cross-sector experience and specialist knowledge to complex legal matters.

6. Our Approach

Integrated Legal Solutions

SLA's core service philosophy is integration without fragmentation. Our 16-practice model allows different areas of expertise to work together where a client's matter crosses multiple areas of law. For example, a complex development transaction may require real estate, corporate, finance, tax, regulatory and dispute-resolution expertise. SLA is structured to coordinate these capabilities within one Firm.

Quality & Accountability

Our matter lifecycle is structured around:

1. Client onboarding
2. Scope definition and pricing
3. Partner allocation
4. Legal execution
5. Quality review
6. Billing and collection
7. Knowledge capture

7. Business & Client Service Model

SLA is built to provide clients with responsive, predictable and commercially relevant legal services.

The Firm's business development model is centred on building long-term institutional relationships through:

Institutional retainers

Government panels

Corporate relationships

Financial institution mandates

Professional referral relationships, including auditors, consultants and bankers

We seek to develop enduring client relationships rather than relying solely on individual or ad hoc instructions.

8. Why SLA?

Full-Service Capability

Clients can access a broad range of legal services through one integrated law firm.

Specialist Expertise

Our practice-group structure enables focused expertise while retaining the ability to collaborate across disciplines.

Partner-Level Accountability

Clients benefit from senior legal oversight and strategic direction.

Integrated Service Delivery

Complex matters can be managed across multiple practice areas without fragmentation.

Commercial Understanding

We recognise that legal advice must respond not only to legal requirements but also to our clients' commercial, institutional and operational objectives.

Systems & Efficiency

SLA is structured around modern practice-management, knowledge-management, document automation, billing and client-management systems intended to improve efficiency and consistency in client service.

9. Technology & Innovation

SLA is developing a modern, systems-driven legal practice supported by technology.

Practice management systems

Client relationship management (CRM)

Document automation

Billing and time-tracking systems

A centralised legal knowledge repository
