The SLA team in discussion. Candid, natural light, warm interior.

Twenty-eight years of legal heritage.

A vision was born.
A vision became a practice.
A practice became a legacy.
And today, that legacy continues.

Every individual and business navigating the legal landscape deserves peace of mind, strategic direction, and a clear path forward, whether in a high-stakes dispute, an intricate commercial deal, or a question of corporate governance.

That is where Sichangi Law Alliance steps in. Grounded in trust and excellence since 1998, our firm, affectionately known as the “Hill Team”, was built on integrity, respect, and relentless dedication to our clients.

Our Founding Partner, George Namasaka Sichangi, leads a dynamic and dedicated legal network whose expertise spans nearly three decades, anchored in an expansive national network of law offices across Kenya that continues to grow.

We are a one-stop shop for legal services and your seasoned guide. We understand the hurdles you face, and we bring deep market knowledge and professional excellence, powered by the latest technology.
